RE: Portland & Western Railroad, Inc. – Petition for Declaratory Order-  
Certain Rates & Practices as Applied to RK Storage & Warehousing  
STB Docket No. FD35406

Dear Chief:

230783

We are in receipt of the Surface Transportation Board's ("STB") decision in this matter rendered on July 26, 2011 and released on July 27, 2011 and thank you for same. In its decision, the STB indicates that it calculated the reasonable amount of demurrage accrued for the months in question, and that all of these calculations are contained in work papers that will be made available to the parties upon request (see page 7 of the decision). This shall serve as Portland & Western Railroad, Inc.'s ("PNWR") request for the STB's work papers containing the demurrage calculations.

Thank you in advance for your cooperation in providing these calculations. If you have any questions or require any further information, please let me know.

Sincerely,

*P. Campbell Ford*
